

Frequently Asked Questions?

Q. Why are your rates so Affordable?

A: Because more families choose Affordable Caregivers which allow us to keep our rates as low as possible.

Independent Care Liaisons

We believe in providing you with a Relationship that will support your needs. We contract a **iCL** for each client. Your **iCL** is independent and dedicated to you. Your **iCL** will represent you and work for you on your behalf. This relationship allows you to tailor requirements of care to your specific needs.
