

## Frequently Asked Question

**Q:** Why are your rates so Affordable?

**A:** Because more families choose Affordable Care Agency which allows us to keep our rates as low as possible.

## Independent Care Liaisons

We believe in providing you with a relationship that will support your needs. We contract a Care Liaison for each client. Your Care Liaison is independent and dedicated to you. Your Care Liaison will represent you and work for you on your behalf. This relationship allows you to tailor requirements of care to your specific needs.
